The two main objectives for the year have been achieved. 1. Neighbourhood Development Plan – the steering group is now set up and running. 2. Children's play area has been completely redeveloped: this is an excellent project with more equipment still to come. The parish council was involved with celebrations for the Queen's Jubilee and then her passing. There were several community events including giving mugs to the local children. Councillors began attending the local farmers' market which has proved a useful method of communication. We lost St Buryan Cricket Club but gained the Ladies Football Club and he is keen to support both football teams. There will be further discussion on a Coronation clock. There are still issues with the volume and reliability of emails and this may need some work to review the efficiency of communication. Possible land purchases at Kew Pendra and the field next to Community House. Still need to replace parish clerk and one councillor vacancy. Thank yous KETTLEWELL Sian and David Jeffery for 40 years of dedicated support to the parish council.
